Darrell,

I am fine with your request.

Per our conversation, I would like to move forward with the purchase of a new limb truck. The truck is budgeted in FY22 in the amount of \$200,000.00. This unit comes in almost \$23 K less. If we order now, we can obtain a build date in February.

Please see attached quote and capital purchase worksheet to approve the purchase for the November 15th agenda. Sorry to be late, but I didn't receive this quote by the Monday deadline.

Thank you
