Mayor and City Council  
City of Foley, Alabama

Re: Construction Fees

Dear Honorable Mayor Koniar and Council:

We, the members of Crossway Christian Fellowship, have found that we have outgrown our present modular facilities and are in need of constructing a larger Church Building in order to better serve the needs of the community.

The proposed structure will be completed in four (4) phases:

1. The building shell and foundation
2. The interior build out
3. The installation of a steeple
4. The addition of a portico

As with most churches, this is a large undertaking and is budget draining. We would ask that the City waive or reduce any fees that are associated with these projects such as building permits, land disturbance permits, zoning fees and environment fees. This would greatly assist in our efforts.

Thank you for your consideration.

If I may be of further assistance regarding this subject, please contact me at 251-978-0656.

Sincerely,

*Rev. William Stephens*
