March 16, 2014

Dear Charlie:

On Saturday, March 29 the John McClure Snook Family YMCA and the Bounds Family YMCA will join together to have its 2nd Annual 'Y' Get Dirty Mud Run at the Graham Creek Nature Preserve. We held this event at Graham Creek in 2013 at which time we built several permanent obstacles at the expense of the YMCA.

We have secured the use of Graham Creek Nature Preserve and would like to have the \$250 usage fee waived. As you know all of the proceeds from this event go towards our annual 'Y' Campaign for Youth and Families. These proceeds enable children/youth to attend our **after school program, summer day camp program, swim lessons and participate in a 'Y' sport that otherwise would not be able to because of financial reasons.**

It is our hope that you will join with us as we endeavor to make the future of the South Baldwin Community a better one by investing in our children/youth.

Thanks in advance for helping us with this event.

In service,

Sue
