Submitted by: Taylor Davis

Date Submitted: 04/03/2019

Is this purchase listed on the capital projects plan in the approved budget? Yes

What amount is approved in the plan for this project? \$12,500

In what year is this project shown to begin in the plan? FY 2019

Description of the project and why the project needs to be completed at this time.
Add a secondary storm drainage pipe, 22"x14", beneath Azalea Avenue at Chestnut Street intersection, and
also add an 18"x11" pipe beneath Chestnut to alleviate the standing water and poor drainage issue on the
south side of Azalea.

Can your job be performed without the completion of this project? Please explain below.

Will not completing this project cause a public safety issue? Please explain below.
The existing pipe geometry beneath Azalea and the lack of a pipe beneath Chestnut causes standing water
for days which is a street maintenance issue and also a public nuisance with mosquitoes.

Do you expect to come in, at, or under budget on this project? Please explain below.
Project is expected to be completed by public works department and is expected to be completed at budget.

Is there a grant associated with this project? NO
If so please list below the grant amount and the match required by the City.
