Good Afternoon,

The Drive Sober or Get Pulled Over Labor Day grant **begins AUGUST 17 - SEPT 3, 2018**. Funds are now available on the CORE website.

Please let me know **ASAP** if you will **not** be participating **or if you need to reduce your funding allowance**. Any unused funding can be transferred to another agency in need if enough time permits. Please don't wait until the last minute to let me know as all unspent funding must be returned to ADECA and not spent on traffic safety during the holiday period.

Below is a link you can utilize for your media events and/or social media. Please let me know if you plan to have any press conferences/media hooks so I can include it in our final report.

Please let me know if you have any questions or need assistance.

As always, thank you so much for all your hard work and doing such a GREAT job on our highways! Be safe.

Dawn
