Attached is a request to increase the capital budget by \$12,000.00 to cover the increased cost of production for 7 new police vehicles.

Also, a request to purchase 5 police tahoes, 2 police trucks. and the emergency equipment to outfit all 7 vehicles.

Thank you for your consideration and approval! Have a great week.

Thank you Erika. I am in support of the increase so that we can maintain the volume of new police vehicles we are buying each year.
