Hello,

I am Trevor Bey's assistant and he asked that I send you some information regarding a possible consultation/proposal for the City of Foley.

First I would like to give you a little background on Trevor and Holiday Creation as a company. He is second generation in the industry, raised in a Christmas store that his family owned. His father is one of the leading reps in the holiday industry with over 35 years experience. Trevor has been a rep for over 15 years as well as doing commercial Christmas for the last 7 years. He started in residential and retail and then expanded into corporate buildings, resorts, and jobs dealing with special needs, budgets, and time constraints. In the industry he has become well known for the types of jobs he does as well as the creativity in his designs and quality of his work. As a representative as well as a distributor for many reputable companies he is constantly on top of all the newest trends and products. He has acquired some of the best designers in the industry based on this reputation and networking through his marketing companies. His installation team are seasoned professionals with backgrounds in engineering, riggers, electricians, military, and all around handy men.

The cost associated with a consultation is all travel related expenses, \$55/hr for all time spent working on the proposal and per diem of \$55/day. Please let me know how you would like to proceed. We would need to move forward as soon as possible to ensure completion of the 1st draft of proposal before the March show.

Feel free to contact me at any time with any questions. Thank you so much!

Merry Christmas,
Shannon Walters

Subject: [FWD: Estimate #157 from Holiday Creation, Inc.]
Attachments: Estimate #157.pdf; stamp.htm

Hello,

Attached is the estimate for Trevor and his crew leader to do the consultation. Please note that 1/2 of the cost to do the estimate will be applied to the proposal cost. If the cost to do the proposal is less than that, there will be no additional cost for the proposal.

The proposal will include renderings as well as a list of products used and an estimate of labor should you choose to use us for installation.

Thank you!

Merry Christmas,
Shannon Walters
