My name is Sara Thompson and I would like to be considered for a place on the Library Board of the city of Foley. My husband and I have lived in this area since 1983 and raised our family of three children here. We live in the Bon Secour area which was incorporated into the city of Foley last year. I have been a user of the Library back from the time it was housed in the Convention and Visitors Bureau in the center of town.

I was a teacher in Alabama for 33 years, the last 23 in the Foley area at Foley Elementary School. My last three years of teaching I was a reading specialist. Since I have retired, I have used my extra time as a volunteer in the area. I am a member of the South Baldwin Chamber of Commerce Educational Foundation Board and have been for 9 years. As a member of the Foley Friends of the Library, I have served as the volunteer manager of the library bookstore which brings in approximately \$6000. Yearly for the benefit of the library. I have served as a member of the Blue Ribbon Team for the Chamber since I retired. I am very interested in the future of Foley and would like to be considered to serve on a committee. To my knowledge, since our incorporation into the city, no one in this area has been selected to serve on a committee and I would like to apply to be among the first to serve. Thank

you for your consideration.
