Rough Trade-In - Rough Trade-in values reflect a vehicle in rough condition. Meaning a vehicle with significant mechanical defects requiring repairs in order to restore reasonable running condition. Paint, body and wheel surfaces have considerable damage to their finish, which may include dull or faded (oxidized) paint, small to medium size dents, frame damage, rust or obvious signs of previous repairs. Interior reflects above average wear with inoperable equipment, damaged or missing trim and heavily soiled /permanent imperfections on the headliner, carpet, and upholstery. Vehicle may have a branded title and un-true mileage. Vehicle will need substantial reconditioning and repair to be made ready for resale. Some existing issues may be difficult to restore. Because individual vehicle condition varies greatly, users of NADAguides.com may need to make independent adjustments for actual vehicle condition.

Average Trade-In - The Average Trade-In values on nadaguides.com are meant to reflect a vehicle in average condition. A vehicle that is mechanically sound but may require some repairs/servicing to pass all necessary inspections; Paint, body and wheel surfaces have moderate imperfections and an average finish and shine which can be improved with restorative repair; Interior reflects some soiling and wear in relation to vehicle age, with all equipment operable or requiring minimal effort to make operable; Clean title history; Vehicle will need a fair degree of reconditioning to be made ready for resale. Because individual vehicle condition varies greatly, users of nadaguides.com may need to make independent adjustments for actual vehicle condition.

Clean Trade-In - Clean Trade-In values reflect a vehicle in clean condition. This means a vehicle with no mechanical defects and passes all necessary inspections with ease. Paint, body and wheels have minor surface scratching with a high gloss finish and shine. Interior reflects minimal soiling and wear with all equipment in complete working order. Vehicle has a clean title history. Vehicle will need minimal reconditioning to be made ready for resale. Because individual vehicle condition varies greatly, users of NADAguides.com may need to make independent adjustments for actual vehicle condition.

Clean Retail - Clean Retail values reflect a vehicle in clean condition. This means a vehicle with no mechanical defects and passes all necessary inspections with ease. Paint, body and wheels have minor surface scratching with a high gloss finish and shine. Interior reflects minimal soiling and wear with all equipment in complete working order. Vehicle has a clean title history. Because individual vehicle condition varies greatly, users of NADAguides.com may need to make independent adjustments for actual vehicle condition. Note: Vehicles with low mileage that are in exceptionally good condition and/or include a manufacturer certification can be worth a significantly higher value than the Clean Retail price shown.

Comprehensive Limited Warranty Coverage

In addition to the 172-point inspection, every Ford Certified Pre-Owned vehicle comes with a comprehensive limited warranty covering more than 1000 components for 12 months/12,000 miles.* Areas of coverage include:

- Engine
- Transmission
- Rear-wheel drive
- Front-wheel drive
- Steering components
- Brakes
- Front and rear suspension
- Electrical system
- Air conditioning and heating
- Technology components
- Emissions components
- Factory-installed audio system
- Safety systems

Powertrain Limited Warranty Coverage

On top of the comprehensive limited warranty coverage, we include seven-year/100,000-mile powertrain limited warranty coverage with every Ford Certified Pre-Owned vehicle.* It covers the engine, transmission and more:

- Transferable to future owners at no extra cost
- 24-Hour Roadside Assistance (towing, jump starts for dead batteries, flat-tire changes on-site and lockout services) is included for the duration of the powertrain limited warranty coverage
- Ford Extended Service Plans, which offer additional coverage, are available from any Ford or Lincoln Dealer

city 22 highway 33

3.8 gallons per 100 miles

Midsize Cars range from 13 to 114 MPG. The best vehicle rates 119 MPG.

You save

\$1,000

in fuel costs over 5 years compared to the average new vehicle.

Annual fuel cost

\$2,000

Fuel Economy & Greenhouse Gas Rating (tailpipe only) Smog Rating (tailpipe only)

Actual results will vary for many reasons, including driving conditions and how you drive and maintain your vehicle. The average new vehicle gets 24 MPG and costs \$11,000 to fuel over 5 years. Cost estimates are based on 15,000 miles per year at \$3.50 per gallon. MPGe is miles per gasoline gallon equivalent. Vehicle emissions are a significant cause of climate change and smog.
