Subject: Kits Contents

To: awilliams@foleypolice.org <awilliams@foleypolice.org>

Good evening,

Attached are the kit contents list. Each kit also contains a 4MG dose of Narcan. These kits cost \$135.00 and are provided free of charge to every K9 Officer. It is our goal to ensure that every K9 team arrives home together at the end of their shift. Please call with any questions.

--

Thank You,
Staci Goveia- President

PROTECTING K9 HEROES TRAUMA KIT CONTENTS

KEEP AWAY FROM CHILDREN AND PETS! DO NOT FREEZE OR LEAVE IN HEAT.

Ace Wraps – Use to secure bandages in place or can be used as a tourniquet as well to stop bleeding injuries.

Alcohol – Used to cool your K9 down. Pour on the belly if overheating.

Benadryl – Bee stings, Snake bites, Allergic Reaction – See label 25MG tablets each.

Bowl – Use on the go for water and or food – **CAUTION! Make sure they don't eat it!**

Eye Patches/Gauze – Cover injured eye as needed.

Eye Wash – Assist with objects in the eye.

Fleece Blanket OR Large Towels – Use as needed to place your K9 on a clean surface.

Gauze Patches – For use with cuts and scrapes.

Hand Sanitizer – Sanitizer

Ice Packs – Used to reduce swelling and overheating.

LED Light – Place your dog's collar at night for up to 1/2 -mile visibility.

Mylar Rescue Blanket – Use as needed.

Peroxide – Used to clean wounds or induce vomiting with vet instructions.

Scissors – Use as needed.

Stretch Gauze – Use alone or with wash cloth and vet wrap.

Syringe – For Peroxide or to flush a wound.

Thermometer – Over 103, CALL THE VET.

Tic Remover – Follow directions to remove ticks.

Quick Clot or Styptic Powder – Stops BLEEDING for you or your K9.

Triple Antibiotic Ointment – Use on small cuts, stitches, or wounds.

Vet Wrap "NO CHEW" – Self Sticking – Can be used to apply pressure on wounds with cloth or gauze. Deterrent for K9 to chew off wounds due to a bitter taste.

Washcloths – Used to apply pressure or clean wounds.

Wet Wipes – Cooling down your K9 and cleanup of wounds.

3-Way Ointment – For cuts and scrapes, and or irritation. (As available)

If you use any of your items, I will replace them for FREE. Please contact me confidentially if this backpack is used as an assistant or a save with your K9. Please visit our Facebook page and give us a review if you are happy with your safety equipment – Protecting K9

Heroes.

All K9's equipment that is granted will be posted on our page within a few weeks and can be shared on your personal or department page.

We collect department patches and coins for our Hero wall. Please send one if you are able. Our mailing address is: Protecting K9 Heroes, PO Box 422, Glenwood, IL 60425

Staci Goveia – Founder – Personal cell day or night – 708-653-2766 or email at protectingK9heroes@gmail.com. Please let me know if you use your kit to render aid to your partner.

Send us a picture of your K9 with their safety equipment PLEASE.

Forward the picture to my cell at 708-653-2766. The sponsors ask for those.

****Please review all contents with your K9 vet before using. ****
