

The Revitalization & Beautification Advisory Board would like to dedicate the 2nd Butterfly Garden located north of the Dog Park to Mr. Terry Underwood.

Terry was the Ag Teacher for Foley High School for several years where he built Butterfly Gardens for the Elementary and High Schools. He was a member of the R & B Board for 15 years and he always talked about building a Butterfly Garden in the City of Foley.

The R & B Advisory Board now has two beautiful Butterfly Gardens located in the City of Foley and we would like to dedicate the 2nd one which is bigger to our Mentor and Friend Mr. Terry Underwood.
