Greetings Mayor Hellmich and Mr. Ebert,

Thank you providing the dogs of Foley a place to play at The Foley Dog Park. The park is beautiful, clean, and spacious. We are students in Ms. Speir's fourth grade English Language Arts class and we have a request. We want the dogs to have sticks to play with while they are at the park. Would you grant us permission to install a "Stick Library" at the dog park?

We believe the sticks would provide dogs and their owners hours of play. The library would be a place where dogs could return the sticks we provide. Dogs can learn how to share, exercise, and not chew up their owner's shoes.

If you grant us permission, the woodworking class at Foley High School will make the library. Students in STEAM classes at Foley Elementary will make the sign with their 3-D printer, and Foley Elementary will provide the sticks.

We can work together as a team to make Foley, Alabama even a better place to live- especially for our dog friends.

Sincerely,

Ms. Speir's Fourth Grade Class
