Mr. Tom Mills, came in to city hall today to make a complaint on the property located to the east of his. Per Beacon the property address is 19578 Cty Rd 20 and is owned by Foley 20, LLC. He stated that he spoke to Joe Steen, who is the agent that has it for sale, and he was suppose to have the property mowed months ago and it has not.

Mr. Tom is a very elderly man. He did threaten to set the property on fire if the city did not handle it. I explained to him that there is a process to a weed complaint and it will take time to please be patient and contact us if there are any questions.

Dear Sir/Madame:

A complaint was been received concerning the overgrown grass and weeds becoming a public nuisance at a parcel of agricultural land on County Road 20 S in Foley, AL. This lot is further described as PIN 42074 on the Baldwin County Tax Maps.

The City of Foley Ordinance No. 1095-09 Regarding the Clearing and Maintenance of Lots that Constitute a Public Nuisance Section 4-104 states that a nuisance may be declared when grass and weeds which bear seeds of a wingy or downy nature, which attain a large growth so as to become a fire menace when dry, or otherwise noxious or dangerous. Private property owners should take regular steps to maintain the property in a manner to prevent the nuisance.

A visual inspection, conducted on August 10, 2018 revealed that the above described property is overgrown by grass and weeds which may constitute a public nuisance. Please be advised that as of this date you are placed on notice that this violation must be corrected within 10 days from your receipt of this letter. Failure to do so may result in a Resolution by the City Council that finds and declares that the weeds, grass and other vegetation are a public nuisance and orders the abatement of the nuisance subject to its findings after a public hearing. Because this property is zoned as agricultural, the only requirement to meet compliance is a cut/mown 50 ft buffer along property lines.

If you have any questions or concerns please contact our office at 251-923-4267.
