

Quotation

TO: Randy Kurtts
JOB: City Park Fountain Power Service
DATE: 09/25/14

RCI Electric, LLC, respectfully submits this quotation to install electrical service to the Hwy 59 city park water fountain. All the work will be completed according to the latest edition of the National Electrical Code, along with local and state requirements.

Scope of Work:

1. Remove pavers, install 1 ½" PVC schedule 40 electrical conduit, re-install pavers.
2. Trench approximately 75ft to the existing power source, install 1 ½" PVC schedule 40 electrical conduit.
3. Install approximately 100ft of #2 service feeders from the existing power source to the fountain.
4. Install (1) service panel at the fountain for power distribution to the fountain lights and pump motor.
5. Install (1) 15 amp GFI receptacle outlet at the fountain for maintenance / service.

Any deviation from the above-described work must be discussed as a change order.

Base Bid: \$1,900.00
