ATTN: Darrell Russell

Darrell, Below is a final quote on 4500y Ventrac and Edger Blower attachment. There is no diesel inventory at this time the factory is estimating first part of June, But I can proceed with a 4500z as I have this unit in stock. You will see the removal of a 60" mower head it is bid into contract and as we know you do not need.

State of Alabama Commercial Mowing Contract T225: commodity code 515-45-092701; line 57
