Mayor and City Council
City of Foley Alabama

Dear Mayor Koniar and Council;

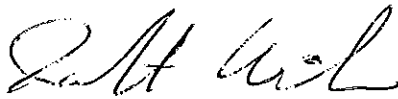

Since January of 2012, the members of Crossway Christian Fellowship have made 2 modular buildings our worship facility and they have served us and the community well. One building serves as a sanctuary and the other serves as an education building.

Our continuing goal is growth with larger facilities and we originally obtained temporary building permits from the City of Foley which have to be renewed and costs us \$225 each every 6 months.

We have found that we will be in these buildings for a while yet and they are built so well that now we intend to keep them even after we build larger facilities.

We are now applying for permanent building permits and request that the City waives the full permit fees and allows us to pay the minimum fees.

Robert Wilson
Trustee
