Description of the project and why the project needs to be completed at this time.

Rock Stan Mahoney Ln & Wolf Creek Parking

Stan Mahoney Lane was built in 2008 and there are washouts in many areas. Wolf Creek Parking area is also eroded due to kayak launch turn arounds. The project includes terracing and re-grading washout areas as well as adding a layer of rock over the roadways. Stan Mahoney will receive a new cul-de-sac for unloading water craft.

Can your job be performed without the completion of this project? Please explain below.

There is liability in the wash outs of the roadways and parking areas.

Will not completing this project cause a public safety issue? Please explain below.

Yes people have complained about the danger of the eroded areas.

Do you expect to come in, at, or under budget on this project? Please explain below.

The project is expected to be \$25,000 or less. We plan to use city forces to complete the project.

Is there a grant associated with this project? No

If so please list below the grant amount and the match required by the City.
