

Vietnam Veterans Traveling Wall

FIFTY YEARS SINCE ... And we all still have feelings to
Every square inch of that Black Granit Wall in Washington D.C.

An unknown is how many Gold Star Families from that Era
Live here in Baldwin County. The VA in Pensacola
said we have a very large group of Vietnam Veterans
LIVING HERE.

20 years ago the wall visited Mobile and no reach out made to the
Veterans of Baldwin County or Gold Star Families.
Going to try bringing it here. It affects too many families here.

Lot of logistics involved to pull this off.
City of Robertsdale said we could have the use of the
Coliseum down from the High School One issue done.
Parking and Bathrooms. Also needed Law Enforcement presence the
Robertsdale Police and Baldwin County Sheriff's Department.
We need help putting it up and taking it down to the age of our Vet's.

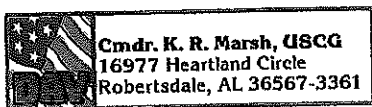

There is a COST TO BRING THE WALL HERE. \$11000.00

I have a commitment of \$5000.00 from the City of Robertsdale.
And \$2000.00 from the DAV in Loxley

What can YOU GIVE TO HELP BRING THE WALL HERE ?

Each local Government here are asked to participate in this.
Vietnam Veterans Memorial Organization ask we have
A big community support to this. Every part of Baldwin County
