**CAPITAL IMPROVEMENT PLAN
FISCAL YEAR 2026**

Construct Terminal Building

The following project description and detailed cost estimate are for Fiscal Year 2027 for which the sponsor intends to seek Federal, State, and Local funding. The project description and cost estimate are based on visual inspection of estimated conditions or expected conditions for future projects. A detailed investigation should be performed during the design phase.

Project Description

This project will provide for the construction of a new general aviation terminal building, associated site development, and parking lot. The proposed terminal building will be a single-story building with approximately 3,000 square feet of usable space. The new building will be located between the north and south aprons. The sponsor intends to utilize one of the pre-designed facilities provided by ALDOT and seek state funding for the construction effort.

Cost Estimate

See attached.
