

VEGETATION MANAGERS

January 16, 2013

Mr. Dan Hellmich
City of Foley
P. O. Box 1750
Foley, AL 36536

**RE: Renewal of Herbicide Application
Program for 2013**

Dear Mr. Hellmich:

Thank you for the continued the business we enjoyed with the City of Foley in 2012. We would like to take this opportunity to submit our quotation for renewal of our contract in 2013.

Edko, LLC will furnish all necessary materials, equipment, labor, qualified supervision and insurance to **SELECTIVELY** or **NON-SELECTIVELY** treat the specified areas and respray any regrowth at scheduled intervals.

The areas to be treated are indicated on the enclosed location lists and maps.

We submit a renewal quote of **\$24,010.50** for the 2013 growing season. This price is for (2) two complete applications with results ***guaranteed***.

As we discussed before the holidays, there are additional areas you wish to add. Please contract me at your convenience to review these areas.

The herbicides used by Edko, LLC are essentially non-corrosive, nonflammable, and extremely low in toxicity. The labeled herbicides we apply are evaluated, registered and regulated by the EPA. Labels will be furnished upon request.

A certificate of our insurance is being forwarded under separate cover.

Edko, LLC will use only experienced **certified** applicators.

We appreciate the opportunity to continue serving your vegetation management needs. I look forward to hearing from you soon.

Respectfully,
Edko, LLC
