

## Jessica Gosa - Bio

Ms. Jessica Gosa is a near-lifelong member of the Foley community. She is a proud graduate of Foley High School (2018) and went on to attend The University of Alabama. While there, she received a Bachelors of Science in Mathematics and a Master of Arts in Secondary Education. Upon graduation, Ms. Gosa returned to Foley to become a math teacher at Foley High School. She's just finished her second year in education and also serves as an assistant volleyball coach and advisor of National Honor Society.

When not attending a school-related event, Ms. Gosa likes to spend her free time cheering on all Alabama Crimson Tide sports, reading a good book on a cruise ship, and sharing community with friends. Ms. Gosa is also a proud dog mom of one black lab mix, Goose.
