Erika,

Are you asking for this to be added to todays' meeting? We can bring to the Dec 6th meeting if you prefer, just let Katy and Wayne know.

Wayne,

So this is to correct a misallocation of funds that was in an expense account when it should have been in a capital account. No increase in funds, just a movement of funds.

Good Morning, please see below regarding our request to memorialize the purchase of our Savage Bullet Trap for the Criminal Investigations Division. We purchased this bullet trap at the beginning of October and had it delivered last week but we are now needing council approval due to the cost of a single item.

I have attached all required forms to have \$7495.00 transferred from our police small tools account to our police capital purchase account.

Thank you in advance for your consideration and approval.

Have a wonderful week!
