Dear Sir/Madam:

A complaint has been received concerning the overgrown grass and weeds becoming a public nuisance at 1314, 1318, and 1326 Dominoe Trail and 1205 Sloane Cove in Foley, Alabama. These lots are further described as PIN 275674, 275673, 275671, and 275653, respectively on the Baldwin County Tax Maps.

The City of Foley Ordinance No. 1095-09 Regarding the Clearing and Maintenance of Lots that Constitute a Public Nuisance Section 4-104 states that a nuisance may be declared when grass and weeds which bear seeds of a wingy or downy nature, which attain a large growth so as to become a fire menace when dry, or otherwise noxious or dangerous. Private property owners should take regular steps to maintain the property in a manner to prevent the nuisance.

A visual inspection, conducted on March 18, 2013 revealed that the above described properties were overgrown by grass and weeds which may constitute a public nuisance. Please be advised that as of this date you are placed on notice that this violation must be corrected within 10 days from your receipt of this letter. Failure to do so may result in a Resolution by the City Council that finds and declares that the weeds, grass and other vegetation are a public nuisance and orders the abatement of the nuisance subject to its findings after a public hearing.

If you have any questions or concerns please contact our office at 251-952-4011.

Sincerely,

Leslie Lassitter Gahagan
Environmental Manager
City of Foley
