Reservations Policy for Graham Creek Nature Preserve

As of June 1, 2016, the Graham Creek Nature Preserve will not manage reservations for facilities including pavilions and interpretive center unless the reservation is in conjunction with a formal reservation application with applicable fees.

The use of the pavilions is on a first come first serve basis unless an approved application is submitted with applicable fees. There are picnic tables available next to the outdoor classroom and canoe launch for smaller events.

Reservations will be posted on the pavilion message board one week in advance of the approved event.
