Wayne,

In our current year budget we have a pickup truck budgeted for the Horticulture department and we have in the budget for this purchase, \$25k. We were not able to find one for that price but they have located one for \$25,600.

I am worried that if we wait till the first meeting in August, this truck will no longer be available so I have given Rachel the OK to make this purchase. What this means is that John Graham/Rachel, will be asking council for the additional \$600 dollars at the first meeting in August, as a memorialization.

If you want us to wait, please let us know, otherwise I will have Rachel secure this truck for horticulture.

regards,

Mike
