**PROPOSAL TO PROVIDE SERVICE**

**Date:** 2/11/14

**Project:** Foley Farmers Market Mist System

Landscape Workshop proposes to furnish all labor, tools, materials, equipment, and insurance necessary to perform the following services:

**Install mist system around the open perimeters of the building.**

---

**Grand Total: \$2,981.26**

All provided plant material is covered under a ninety (90) day warranty period with proper maintenance and irrigation. Transplanted materials or plants not covered by irrigation will not be warranted. Any losses due to acts of God (fire, wind, freeze, etc.), deer, dogs or neglect will not be covered under warranty.

This proposal is valid for thirty (30) days. Thereafter, it is subject to change without notice. Payment shall be requisitioned as follows: 100% due upon completion. If payment is not received within thirty (30) days, Customer agrees to pay a 1.5% per month service charge that will accrue on the unpaid balance. The customer has five (5) days to notify LWI in writing of any deficiencies in the work performed.

In the event it becomes necessary for LWI to file suit to enforce payment, Customer agrees that such suit may be brought in Jefferson County, Alabama and Customer agrees to pay all court costs, attorney fees, and interest at the maximum rate allowed on all amounts found to be due and payable.

If this proposal meets with your approval, please sign and return one copy via fax (205-425-2565) or e-mail. If we may be of further service, please do not hesitate to call.

ACCEPTANCE OF BID:

Thank You,

**Fire Sense 1,500-Watt Stainless Steel Wall Mounted Infrared Electric Patio Heater**

Model # 02110

Internet # 100599737

Our heavy duty Wall Mounted Infrared Patio Heater introduces a new revolution in outdoor heating. Operating at 90% heating efficiency, this infrared patio heater runs on regular household electric current and is substantially less expensive to operate than propane patio heaters. This adaptable unit can be used indoors and outdoors and comes with a moveable mounting bracket.

Safe: clean, odorless infrared technology; efficient: 90% energy conversion; effective: 1,500 watt lamp gives a 9 ft. blanket of heat not affected by wind

Economical: 5,000 hour lamp life operates at about 1/10 of the energy cost of LPG heaters environmentally friendly no harmful emissions or toxic residuals

Easy: plug and go uses standard 110 volt household current, made in durable and weatherproof lightweight aluminum, can be used indoors

CSA approved

**Octagon Picnic Table - Black/Cedar**

\$1090 x 3 = \$3,270.00

All poly furniture is made from cleaned, colored and recycled plastic. It won't crack, peel, or splinter. Go Green! The polyethylene raw material utilized in poly lumber is derived from post-consumer bottle waste such as milk containers. This material is cleaned in a decontamination process to a purity level of over 99% HDPE. It is then compounded into rigid board stock material; the resulting finished product contains over 90% recycled post-consumer waste by weight.
