

Capital Purchase Worksheet

Directions:

Please complete all questions below and submit to Mike Thompson and Wayne Trawick for approval.

Submitted by: David Thompson

Date Submitted: 8/26/2019

Is this purchase listed as a capital purchase in the approved budget? No

What amount is approved in the budget for this purchase? N/A

Description of the item and why the item is needed at this time.

We are requesting to purchase two electronic speakers for the Event Center. The new speakers are based on a technology that uses electronic waves that do not bounce off of the walls. The system is designed for churches and we have demoed and they work very well. This will help us with anyone who needs sound in the building.

Can your job be performed without the purchase of this item? Please explain below.

Yes, but we do not have an effective P/A system and sounds is a huge issue for most of our weekday business.

Have you obtained any quotes on the purchase to determine if it will come in, at, or below budget? If so, please attach.

We are overall under budget after purchasing the robot and gator and would like to use the remaining balance \$12,882.

The total cost of the speakers is \$11,890 including all accessories.

Is this to replace a current capital asset? No

If so please list below the item being replaced and why it can not be used any longer.

How do you plan to dispose of the item that is being replaced?

N/A

Tectonic Audio Speaker System

August 19, '19

Here are two options for you. One is the new DML500, the other is our B-stock PL11NR. Same amplifier, just different speakers. I have added the full Premier stands that you will need.

New DML Panels

Item	Qty.	MSRP	Price	Total
DML500	2	\$2995	\$2850	\$5,700.00
Powersoft T604	1	\$4106	\$3,800	\$3800.00
Premier Mounts System PSD-EB72B stand, caster set, tilt mount	2	\$1278	\$825.00	\$1650.00
Total		\$12,652		\$11,150.00

Optional Sub

LS-212 or LS-118	1	\$1995.00	\$1895	\$1895.00
Total with Sub				\$13,045.00

We would recommend two subs for your system – put one with each stand, and you will have a killer system. If you did two, we would make them \$1795/ea., for a system total of \$14,740.00

B-Stock PL Panels

PL11NR	2	\$2275.00	\$4,550.00	
Powersoft T604	1	\$3800.00	\$3,800.00	
LS212 Sub	1	\$1500.00	\$1500.00	
Premier Mounts System PSD-EB72B stand, caster set, tilt mount	2	\$825.00	\$1650.00	
Total				\$11,500.00

This is our system you heard today. The amp and stands would be new, with the speakers being our demo set.

Optional Accessories

Printable Speaker Cover	2	\$195	\$390.00
--------------------------------	----------	--------------	-----------------

You could get your logo printed on a "sock" that would go over the speakers. This is a very nice addition.

Gator G Tour 10x12PU case	1	\$695	\$695.00
----------------------------------	----------	--------------	-----------------

This is a rolling case with space for a 10 space mixer on the top, and 12 rack spaces below to house amps, wireless mics, etc.

R10U Case	1	\$375	\$375.00
------------------	----------	--------------	-----------------

This is a rolling case with 10 rack spaces to house amps, cables, etc. Smaller option than the Gator G Tour case.

3RU Drawer	1	\$149	\$149.00
-------------------	----------	--------------	-----------------

This is a 3 rack space drawer to go in the GTour case to hold mics, cables, etc.

Denon DN-410X Mixer	1	\$299	\$299.00
----------------------------	----------	--------------	-----------------

3 rack space mixer with 4 xlr inputs, 2 stereo inputs and Bluetooth

We will include a 25' speaker cable with speakon connectors with each speaker, and two 25' xlr cables to run from the mixer to the amp.

**Thanks,
John Mashburn**
