

YOU ARE INVITED TO THE LEGISLATIVE TOURISM BASH A TASTE OF TOURISM

Tuesday, April 14 • 5-8 p.m.

RSA Activity Center

101 Dexter Avenue, Montgomery, Alabama

Make plans to join hospitality and tourism professionals from around the state to host our lawmakers at one of the best attended receptions during the legislative year. The Tourism Bash helps inform our elected officials about the economic impact of the Alabama Tourism Industry. The event offers an opportunity to visit face to face with the men and women who make decisions that impact tourism statewide. Invite your board members, city and county officials to join you at this “can’t miss” annual event. While the Tourism Bash offers the perfect chance to mix and mingle with our legislators, it also serves as the primary fund-raiser for the Alabama Tourism Partnership, who works year round to promote the interests of the Tourism Industry in the state.

The Legislative Tourism Bash is brought to you by the Alabama Tourism Partnership
