Ms. Rachel Keith
City of Foley – Foley Municipal Airport
407 East Laurel Ave.
Foley, AL 36535

Dear Ms. Keith,

We have reviewed your request to decommission the Non-Federal SUMMERDALE (ESU) Non Directional Beacon (NDB) serving the Foley Municipal Airport (K5R4), Foley, AL. Aeronautical Study 16-ASO-603-NR was assigned to this review. We have no objection to this proposal. The facility will be decommissioned and IFR charts and FAA publications will be amended on July 21, 2016.

Please ensure the following conditions are met:

- You must surrender your FCC Authority to Transmit to the Federal Communications Commission as soon as possible after the facility is decommissioned.
- Please ensure the FAA inspector assigned to this facility is notified of completion of the above task.

If you have questions, please call Patricia Graham, Non-Federal Facilities Program Management Specialist, AJV-E36, at (404) 305-7128.

Sincerely,

for Kurt Matthews
