Foley, AL 36535

Dear Mayor Koniar,

Ansley Beverly, one of the counselors from Foley High School, and myself would like to address the City Council at the April 7th Work Session. The purpose of our attendance will be to share information on the upcoming Baldwin County Community Alliance sponsored Town Hall Meeting on Underage Drinking and Teen Substance Abuse scheduled for April 22, 2014 in City Council Chambers and to extend a personal invitation to attend to each of the City Council members. A large media turnout is anticipated for the Town Hall meeting. We would need no more than 2-3 minutes on the agenda for our presentation. We look forward to a favorable response from your office.

Sincerely,

A handwritten signature in cursive script that reads "Deborah Ferguson". The signature is written in black ink on a light-colored background.
