Dear City Council:

My name is JP Wilson and I am the pastor of Summit Church here in Foley. I am also the chaplain for the Foley police department. I have been a pastor in this city for 12 years now.

In July 2019 we launched a new work called Summit Church and have purchased the old Swatters building on county road 12 for our new and permanent location.

Summit Church has a vision to make a significant impact in the betterment of peoples lives here in Foley and has launched many initiatives to make that happen.

For example, we currently feed 150 kids annually thru our backpack programs for children who have little food to eat on weekends when their out of school.

We have partnered with Big Fish ministries and launched the first faith based recovery program for men and women in this area which we house in four different locations.

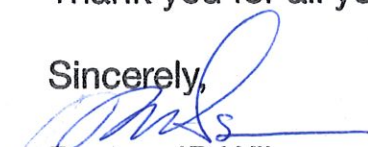

We currently have 32 men in the year long program and 10 women.

I don't have time to list all the other things we are doing for Foley but I want you to know how invested we are in the betterment of this town.

I would like to request the city council to help us in the remodel process of our new facility by considering the lowering or waiving of the Impact fees and Permits which will be required in this building process. This would be a tremendous blessing.

Thank you for all you do for our community.

Sincerely,

Pastor JP Wilson
