A Resolution to Use the Funds Previously SubAwarded to the South Baldwin Regional Workforce Development Authority

Attachments: [Riviera Utilities Invoice](#)

Logan Eberly reported Previously on 24-1092-RES, the City requested to accept a \$500,000 grant from ADECA to be passed through the City to the South Baldwin Regional Workforce Development Authority. The intention of these funds was for the ongoing economic development project, specifically for the establishment and operations of the Gateway Workforce Education Career Campus on a parcel of land on Foley Beach Express. Part of these funds were spent by the SBRWDA, but the authority is no longer an active board. The authority has passed the control of this grant back to the City of Foley. There is \$80,644.20 in funds that have yet to be drawn down from ADECA, and two checks that were cut from the Authority to the City of Foley totaling \$97,253.50 (\$69,762.50 and \$27,491.00) leaving a total of \$177,897.70 left to be spent from this grant. The City received a quote from Riviera Utilities totaling \$177,135.00 in order to provide water and sewer across beach express and to relocate a power pole at the Foley Beach Express parcel. The City requests to memorialize the payment to Riviera Utilities for these utilities using the grant funds and will draw down \$79,881.50 from the ADECA funds to cover the expenses leaving \$762.70 remaining in grant funds.

A motion was made by Council Member Tim Lower, seconded by Council Member Roderick Burkle, that this Resolution be adopted. The motion carried by an unanimous vote.

A RESOLUTION AMENDING THE PAY CLASSIFICATION PLAN FOR THE REORGANIZATION OF THE FIRE DEPARTMENT

Attachments: [Fire Dept Pay Plan](#)

Fire Chief Joey Darby reported that during a review of the Fire Department's organizational and pay structure, it was identified that a significant gap exists between the current Firefighter position at grade 140 and the next promotional opportunity of Fire Service Lieutenant at grade 190. The purpose of this resolution is to approve a reorganization of the Fire Department to create a defined career path that acknowledges the advanced skill sets, certifications, and leadership abilities of fire personnel. This 5 grade range provides adequate bandwidth to introduce intermediate classifications that recognize progression, experience, and specialized responsibilities. This reorganization will strengthen recruitment and retention efforts on both the firefighting and fire inspection sides of the department.

A motion was made by Council Member Tim Lower, seconded by Council Member Larry Engel, that this Resolution be adopted. The motion carried by an unanimous vote.

Enactment No: 25-1463-RES

A Resolution Approving Entering into an Agreement for Third Party Fire and Life Safety Compliance Monitoring

Fire Chief Joey Darby reported that they are seeking to enter into an agreement with a third party for compliance monitoring regarding inspection, testing, and maintenance of fire protection systems and equipment. These items are required by our adopted fire code to be inspected, tested, and maintained on a prescribed timeline, based on the type of equipment and use. We often find that businesses and contractors do not follow up on deficiencies until our inspectors do their regularly scheduled fire and life safety inspections. When we find the noted deficiencies, we then have to follow up with the business and contractors, which is very time-consuming. The third party

service would require that all contractors report the deficiencies directly to them, and they would handle the notifications and follow ups. This will allow for more consistent and efficient fire inspections. There is no cost to the City for this service as they collect fees directly from the contractors.

A motion was made by Council Member Charles Ebert, III, seconded by Council Member Larry Engel, that this Resolution be adopted. The motion carried by an unanimous vote.
