Dear *Brenda / Mike or Mayor*

This letter is in response to your request made during our recent telephone conversation.

Our association is comprised of the Alabama Conservation Enforcement Officers from the five divisions of wildlife and conservation departments: Marine Police, State Lands, Marine Resources, State Parks, and Wildlife & Freshwater Fisheries within the state of Alabama. We strive to promote our fundamental objective of Resource Protection through Education. This magazine will bring increased awareness of the enforcement activities of the Alabama Conservation Enforcement Officers Association as well as profile the many outdoor educational programs.

The funds raised will help sponsor our associations programs which include:

1. Assisting with Summer Camps to educate the Youth of Alabama in hunting, boating safety, firearms safety and outdoor activities.
2. Annually awarding scholarship funds to students entering the Conservation and Law Enforcement professions.
3. Keeping A.C.E.O.A. members informed of legislation that concerns your safety and resources.
4. Working for better public awareness of Conservation Enforcement Officers.
5. Providing a death benefit package for the families of fallen officers through the A.C.E.O.A. Police Memorial Fund.
6. Co-sponsor & assist with Youth Hunting & Fishing events and other Conservation related activities.
7. Assist and fund programs to clean up river systems and wildlife habitats.
8. Co-sponsor and assist with various Women's outdoor events.

The Alabama Conservation Enforcement Officers Association would like to take this opportunity to say thank you for your consideration in purchasing advertising space and your support will be greatly appreciated.

The prices for the advertisements are as follows:
