To Whom It May Concern:

I would like to nominate Janice Johnson to the Senior Center Advisory Board. Janice joined our Senior Center shortly after moving to Foley in 2018. She regularly attends yoga, and line dance classes. She also joins us for pot-lucks and day-trips. I believe Janice would make a positive impact with our Advisory Board, because she is one of our younger seniors and she always seems so happy to be here.

Sincerely,

Teresa Neese
