Wayne,

Can you please confirm for Sue/Miranda that you are good with us moving forward on the following 2 capital items?

1. Conex for Sports Tourism - this will be used for storage for tip and roll bleachers. The cost is \$4,950 for a used unit and then we will add a fresh coat of paint and logo. The total request is \$7,500 and it was budgeted.

2. Soil Reliever for Recreation and FST - we need a deep tine aerator due to the compaction on our fields. This was budgeted and expected to come in budget at \$35,000.

Thanks for your assistance and please let me know if you have any questions.

David
