Job Name: Foley Public Library
319 E Laurel Ave
Foley, AL 36535

Description: Roof Moisture Survey

The following is a Proposal for a Moisture Survey of the Foley Public Library, approximately 7,800 square feet.

Survey to include the following:

1. Perform an infrared moisture inspection to identify wet roof areas.
2. Verify all wet areas with a capacitance moisture probe and/or test cut.
3. Outline each wet area on the roof surface with visible paint.
4. Included in Report:
 - a. Scaled Roof Plan with the location, size and contour of all wet areas.
 - b. Infrared Thermograms of wet areas located.
 - c. Digital photographs identifying the Thermograms.
 - d. Analysis and recommendations.
 - e. Budget estimates for various methods of repair.

Cost:.....\$750.00
