LaDonna Hinesley
City of Foley

Good morning LaDonna,

We appreciate the opportunity to quote this sign assembly:

.125" gauge aluminum sign (Foley Welcome Center).....\$ 1,150.00 (FOB delivered to Foley, AL)
This price includes all sign components including nuts and bolts, spacers, braces, posts and the cost to powder coat paint to match your designated color scheme. All hardware, spacers and braces will also be painted. VMS will assemble the sign and deliver it ready to install.

NOTES:

- 1) Quote is based on drawings with dimensions we discussed.
- 2) Material for sign is .125" gauge 5052H38 aluminum that is powder coated.
- 3) The lead-time is 3-4 weeks.
- 4) The dimensions on the sign are 19.67" tall by 118" long. The maximum letter height is 13.35".
- 5) Vulcan standard terms are Net 30 days.

Thank you for the opportunity to quote this unique sign assembly, and if any further information is required, please let me know.

Cordially,

Daniel Thompson
Sales Manager
