

From the Governing Body of the

CITY OF FOLEY, ALABAMA

Proclamation

Whereas, our City is committed to recognizing that our growth and strength depends on the safety and essential role our homes, buildings and infrastructure play, both in everyday life and when disasters strike, and;

Whereas, our confidence in the resilience of these buildings that make up our community is achieved through the devotion of vigilant guardians—building safety and fire prevention officials, architects, engineers, builders, tradespeople, design professionals, laborers, plumbers and others in the construction industry—who work year-round to ensure the safe construction of buildings, and;

Whereas, Building Safety Month is sponsored by the International Code Council to remind the public about the critical role of our communities' largely unknown protectors of public safety—our local code officials—who assure us of safe, sustainable and affordable buildings that are essential to our prosperity, and;

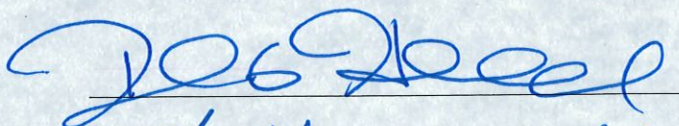

Whereas, "It Starts With You", the for Building Safety Month 2023, encourages us all to raise awareness about building safety on a personal, local and global scale, and;

Whereas, each year, in observance of Building Safety Month, people all over the world are asked to consider the commitment to improve building safety, resilience and economic investment at home and in the community, and to acknowledge the essential service provided to all of us by local and state building departments, fire prevention bureaus and federal agencies in protecting lives and property.

Now, therefore, I, Ralph Hellmich, Mayor of the City of Foley, Alabama, and on behalf of the City of Foley City Council, do hereby proclaim the month of May, 2023 as

Building Safety Month

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the Seal of the City of Foley, Alabama, this 1st day of May, 2023.
