Re: Easement

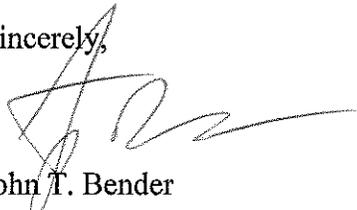

Dear Mayor Koniar:

I am representing Omega Realty, Inc., seller of certain real property described on the attached supporting documents. The title commitment requires that my client obtain an easement from the City of Foley for ingress and egress over the former L & N right of way shown on the attached tax map.

I would like to have this request considered by the City of Foley and, if necessary, placed on the agenda for the next City Council meeting so that this matter can be resolved as it is a prerequisite for closing this transaction.

I'm sure you may need additional information and may have further directions for me to have this matter resolved, so please contact me at the above number to discuss.

Sincerely,

John T. Bender
