March 8, 2024

Mayor and City Council
City of Foley
407 East Laurel Avenue
Foley, Alabama 36535

RE: Grant Recommendation

Dear Mayor Hellmich and City Council Members:

The City of Foley Historical Commission held a regular meeting on March 5, 2024 and the following action was taken:

Grant Recommendation

- Foley CB, LLC
Vita Bruno
200 W. Laurel Ave.
National District-Non Contributing

Commissioner Turbyfill made a motion to recommend the requested façade grant to the Mayor and Council. Commissioner Ward seconded the motion. All Commissioners voted aye.

Motion to recommend the requested façade grant to the Mayor and Council passes.

Please let me know if you have any questions or concerns.

Respectfully,

Melissa Ringler

Planning & Zoning Coordinator
mringler@cityoffoley.org

MAYOR: Ralph Hellmich

CITY ADMINISTRATOR: Michael L. Thompson

CITY CLERK: Kathryn Taylor

COUNCIL MEMBERS: J. Wayne Trawick; Vera Quaites; Richard Dayton; Cecil R. Blackwell; Charles Ebert III

Planning & Zoning Department Facade Grant Application

Application Information:

Name of Business:

Foley CB LLC - Vita Bruno

Type of Business:

Landlord

Property Address

200 W LAUREL AVE FOLEY, AL 36535

Business:

Existing Business

Number of Years in Business:

15

Total Cost or Project:

\$48,922.00

Amount Requested:

\$24,461.00

What effect do you think this project will have on your business?

We are updating the pylon signage to include the address of the building and the tenants that occupy the building. This will allow the public to find the building and the respective businesses that they are looking for and improve the leasing activity for downtown Foley. In addition, we would like to create a retail storefront access from Alston, to support the economic development activity for Downtown Foley by bringing in more retail storefront locations to create vibrancy along Alston Ave. This is a component of the Envision Downtown Foley study. We would also like to replace a damaged door along Alston and damaged windows along Laurel Ave. and Alston to create a updated and uniform look across the front of this building that is visible to traffic along Laurel Ave. and Alston.

Why do you want/need this grant?

We need this grant to pay for the work to enhance the Building and increase the leasing activity which in turn will increase the tax base for the City and make Downtown Foley a more desirable location for future businesses and the public. If we don't receive this grant, we will not be able to complete this work.

Contractor:

Robin Hayles (251) 583-8337 (Stirling Properties)

Property Owner:

Foley CB LLC

Applicant:

Vita Bruno

Work Description

1. The pylon signage to include the address and the businesses located in the building and improve the neighborhood aesthetic.
2. A retail storefront access from Alston Way to support the Envision Downtown Foley project vision of creating a more walkable Downtown and more vibrant retail storefronts along Alston.
3. Replace a damaged and rusted external door along Alston Way to improve the neighborhood aesthetic.
4. replace damaged windows along Laurel and Alston to create a uniform look to improve the neighborhood aesthetic not provided

Planning & Zoning Department Historical Commission Report

Permit Information

Description: Pylon sign upgrade, replace rusted external entry door on Alston side, create retail storefront from Alston side, replace damaged windows on Laurel side of building.

Valuation of Project (materials and labor): \$60,000.00

Nature of Proposed Work/Application (Check All That Apply)

Repairs of Alterations, Other

Please describe your proposed work as simply and accurately as possible.

We would like to:

-add address and tenant signage to the existing pylon sign to make it easier for the public to see the address of the building and which businesses located in the building.

-replace a rusted external entry door on the Alston side.

-replace 4 damaged windows on the Laurel side of the building

-create a retail storefront with a walkway that attaches to the existing sidewalk on the Alston side of the building.

If you will be painting, please list the three colors you have chosen from a Historical color palette and enclose color chips with your application.

New proposed store front

JOB DESCRIPTION

Qty 2 - 2" x 58" x 1 01" Thick painted aluminum backer panels each with 5 - s held using painted aluminum stand-offs. The stand off is 1.25" wide and holds the panel 3/4" from the background. Lettering will all be black vinyl to keep the sign from being gaudy.

Faces are unlit & blank

Each face \$3840

Qty 1 - 20" x 24" x 72" Address cabinet.

Replace the old digital reader with a new address cabinet painted aluminum with a tube frame and an aluminum skin and vinyl lettering as shown. cabinet to be painted similar to the concrete at the base of the sign.

Cabinet \$1875

Installation - Includes removal of existing reader board, adding the new address cabinet with bracing & installation of faces. Faces are held to the existing concrete columns with Tapcon 3/8" tapping bolts through the frame into the concrete.

\$5455 With bucket truck & crane

Permitting & approvals - Includes research, applications and permit cost.

\$745

Tenant panel lettering - While at shop \$200 each panel. If we have to come out after installation for individual onsite installation in Foley each panel is \$650.

Tenants need to provide info and artwork for their panel. If they can provide clean vector based artwork then no art charge will be assessed.

Approved By _____ Date _____
I acknowledge that I have checked and approved this artwork for production.

PLEASE CHECK FOR ACCURACY

Please take the time to review the artwork closely to ensure all sizes, colors, and spellings are correct. While we work hard to ensure quality and accuracy, any errors not corrected during the approval process will be the responsibility of the customer.

Due to limitations of monitor profiles, paper and inkjet printing, this artwork is not intended to provide an exact match between inks, vinyl or sign paints. For exact match on colors the use of a Pantone matching book, Benjamin Moore or Sherwin Williams chip book can be used. Project will not go into production until artwork has been approved and deposit is received. This artwork is Copyrighted © 2021 Brix Design Inc. Use of this artwork by any party other than Brix Design Inc. for any purpose whatever is prohibited without a signed release.

Good afternoon Vita,

Here is what we found

HC Grant Match Measurements for 200 West Laurel Ave.

Façade Area – South (Laurel Ave) and East Side (Alston St.) Only :

East Side:

Width – 125’ x Height – 27’ = 3375 square feet

South Side (Walls):

Width – 107’ x Height – 27’ = 2889 square feet

South Side (Drive Thru):

Width – 41’ x Height - 4’ = 164 square feet

3375 + 2889 + 164 = 6428 Total Square Feet

6428 x \$5.00 = \$32,140.00 Possible City Grant Match

To: Foley Main Street <foleymainstreet@gmail.com>

Good morning Darrelyn,

The building dimensions are ~200ft. (Laurel frontage) x 140 ft. (Alston frontage).

Thank you for looking into the amount of the facade grant that we would be eligible for.

Regards,

Vita
