

RCI **ELECTRIC**

Residential Commercial Industrial

Quotation

TO: Randy Kurtts
JOB: Lamp Post Circuits
DATE: 10/13/14

RCI Electric, LLC, respectfully submits this quotation for the below described scope of work. All the work will be completed according to the latest edition of the National Electrical Code, along with local and state requirements.

Scope of Work:

1. Demo the existing lamppost electrical conduit and circuit wiring.
2. Repair damaged lamppost electrical feeder conduit and circuit wiring (conduit and circuit wiring damaged by others).
3. Install new electrical ground junction box to accommodate the repaired feeder conduit and circuit wiring.
4. Move the (1) existing lamppost electrical conduit and circuit wiring to the new electrical ground junction box.
5. Install new #6 copper THHN circuit wiring from the new electrical ground junction box to the (1) lamppost south of the Bell Tower.

Any deviation from the above-described work must be discussed as a change order.

Bid Includes labor and material: \$2,500.00
