Policy for Merit Raises for FY17 Budget Year

The FY17 Budget authorizes and allocates funding for employee merit raises for FY17. The Reserve for Salary Increases Account (#01-660-8700) contains a budget figure of \$286,020 for pay out of merit raises for employees during FY17. This is an increase of \$24,276 over last year's merit raise budget of \$261,744.

Under the City's automated Performance Appraisal System, raises are awarded each year on the employee's anniversary date (date of hire). The employee's final review is due by the employee's anniversary date and the employee will receive their merit raise on the pay check following the first full pay period following receipt of the Final Appraisal.

The performance appraisal rating scale and the associated raises are as follows:

Consistently Exceeds Standards (score of 45.5 – 50.0)	= 5% raise
Exceeds Standards (score of 35.5 – 45.4)	= 4% raise
Meets Standards (score of 25.5 – 35.4)	= 3% raise
Partially Meets Standards (score of 15.5 – 25.4)	= 0% raise
Does Not Meet Standards (score of 0 - 15.4)	= 0% raise

Standard Operating Procedures for Raises:

Under the Halogen Performance Appraisal System, raises are awarded each year at the time of the employee's original hire date. The employee's final review is due by the employee's anniversary date and the employee will receive their merit raise on the pay check following the first full pay period following receipt of the Final Appraisal.

It will be the responsibility of the Directors/Department Heads to get the Final Appraisal in on time so the employee can receive their raise on time. If the Final Appraisal is not turned in on time, the raise will be awarded on the pay check following the first full pay period following the date of receipt of the Final Appraisal. Human Resources will not back pay raises.

Note: For Directors, Department Heads and executive level full-time, regular employees who do not receive employee performance appraisals through Halogen, Mike Thompson will recommend the percentage amount of the raise to the Mayor on the same time line as described above. The Mayor will then solicit input from the Council members and based on that input will make the final decision on the percentage or dollar amount of the raise for each of these employees. Mike Thompson will then deliver the decision on the raise in an email to Sandra Pate who will process it through payroll on the same time line as described above.

City of Foley Policy - "GAP" Day & Holiday Pay

FY17 – (1 GAP Days)

"GAP" days are days that fall between a City approved holiday and a weekend. For example, if a holiday falls on a Tuesday, the Council may elect, via the budget adoption each fiscal year, to allow City employees to also have the Monday off prior to the Tuesday holiday as "GAP" day. ("GAP" days, if approved, are recorded as "Personal Days" in the City's payroll system).

GAP days fall differently on the calendar from year to year. Some years there may be several "GAP" days and other years there may be no GAP days if City approved holidays happen to fall on a Friday and/or a Monday. In FY17, there is one GAP day which falls on the Monday preceding the July 4th holiday which falls on a Tuesday as reflected on the attached calendar.

"GAP" Days (Personal Days) must be used prior to any accrued Annual or Compensatory Leave being used. Accrued Personal Leave hours will not be paid out if/when the employee retires or terminates employment.

City Approved Holidays Per PSP 3.3.7(7) *

- New Years Day
 - Martin Luther King Day
 - Memorial Day
 - Independence Day
 - Labor Day
 - Veterans Day
 - Thanksgiving Day
 - Day after Thanksgiving
 - Christmas Eve

-
- Full-Time Regular Employees will receive a standard eight (8) hours of "Holiday Pay" regardless of number of hours on their regular shift/schedule. If the employee works the holiday, they will receive 8 hours of "Holiday Pay" on top of the pay for the hours worked.
 - Part-Time Regular Employees will receive a standard (4) hours of "Holiday Day" regardless of the number of hours on their regular shift/schedule. If the employee works the holiday, they will receive 4 hours of "Holiday Pay" on top of the pay for the hours worked.

Note:

* *Temporary employees are not eligible for holiday and/or personal day leave.*
