Carolyn

It is with regret that I have to resign from the City of Foley's Centennial Committee. I have taken a job as Director of Opelika Power Services and will be moving to Opelika, Alabama. I have enjoyed working on this committee and in this city for a number of years and on many different projects. You have been a delight to work with and I have always appreciated you and your willingness to include me in your many projects. I shall miss your charm and southern dialect. You and Wayne will always be dear to me and I wish this committee the very best of everything. I hope to get an invitation to the ceremony when you complete the project. Don't forget me.

Respectfully and with love,

David A. Horton
