Submitted by: Darrell Russell

Date Submitted: 20-Jun-24

Is this purchase listed on the capital projects plan in the approved budget? Yes

What amount is approved in the plan for this project? \$1M Planned, Requesting \$255,000

In what year is this project shown to begin in the plan? 24

Description of the project and why the project needs to be completed at this time.

The East Peachtree Pedestrian Improvements will create a walking path along East Peachtree, turn southward along North Juniper, then tie in to the existing multipurpose path on East Berry at Vulcan Inc. This path will provide a safer alternative for walking in this residential area. Residents are currently using the ROW and two lane road to travel by foot and bike.

Can your job be performed without the completion of this project? Please explain below.

N/A

Will not completing this project cause a public safety issue? Please explain below.

This project will improve public safety by creating pedestrians a safe place to walk.

Do you expect to come in, at, or under budget on this project? Please explain below.

Approximately \$255k of planned funds. There is approximately \$600k remaining of the \$1M planned for FY24

Is there a grant associated with this project? No

If so please list below the grant amount and the match required by the City.
