Good afternoon,

I just spoke with Elizabeth at the American Cancer Society. She said that she has spoken with you guys and that she would like to get on the January 7 Council agenda to request waiving the Civic Center fees for a 2018 Wrap Up event dinner on January 22. I just wanted to check in with you guys before I place the item on the agenda. Can you confirm that the date is open and that you have spoken with her, please?

Thank you!
