Thanks for the update Chief and I am fine with you moving forward. Glad you could get it back within the budget, I know that took some effort.

Mike / Wayne:

I have attached the capital purchase worksheet for our custom pumper. After negotiations, the revised pricing has us back within budget if we exercise the pre-pay discount on the truck now and purchase the equipment in the next fiscal year when it is delivered. I would like to get this item on the next Council agenda, if possible. Please let me know if you have any questions. Thanks.
