To whom it may concern,

My name is Renetta (Renee) Johnson McGowin; I was born in Foley, Alabama, I graduated for Foley High School. I am married to Michael McGowin and Sister to Vera J. Quaite.

I attended Faulkner State Community College, taking various college courses and business management.

I have worked at UTC Aerospace now Collins Aerospace for the last thirty-two years and retired July 24, 2020. During those thirty-two years at UTC, I worked as a sheet metal mechanic, Quality Inspector, Quality Audit, and as Facility Maintenance Sr. Administration Support. I was required to complete continue education training in ethic and conflict of Interest annually.

I work well with our team and other departments; I believe in order to be respected by others you have to respect others.

Now that I am retired I would like to give back to our community, by serving in any compactly or on your personal board, if there is an opening and if it's not a conflict or interested.

My contact number is 251-223-0231

Thank you for consideration.

Respectfully

Renetta McGowin
