Jeff,

Attached is the info we attained from Hatch Mott. Their price to provide an ALTA survey for Parcel 2 is \$4000; \$2750 for topo and \$1250 for as-built of parking and drives.

When we met yesterday, Myles said he had a few updates for the activity master. As soon as I receive those from him, I will send the update.

Let me know if there is anything else we can do.

Thanks,

Joe Bridges LEED AP BD+C
