Hi Katy!

The County is looking for a new polling location to replace the Mifflin Community Center off CR 20 in Baldwin County Voting Precinct 33. I understand the City of Foley owns and operates the Interpretive Center by the Graham Creek Nature Preserve on Wolf bay Drive. Would the City be agreeable for the County to use the Center as a polling location for Precinct 33? If this is a possibility, I would like to arrange for a time for our Elections Coordinator and staff to visit the facility to see if it meets all the criteria for a voting place. We are not looking to make any changes until after the Special Election Cycle 2017 is over.

Please call me at 580-2564 when you have a moment and let me know what do you need from us to be able to take this to the City Officials to be considered?

Thanks,

Anu
