The undersigned, hereinafter called the Consumer, requests Riviera Utilities, here in after called the Utility, to furnish, subject to its rates, charges, service regulations, etc., as such charges now exist and are on file at the offices of the Utility, or as they may hereafter be altered or amended, for the services and facilities named hereon as may be required, or from time to time furnished, and agrees to pay promptly all charges in accordance with said rates and service regulations, and agrees that the deposits paid herewith maybe used for the purposes of paying for any service or facilities without notice, and waives as to any amount due, all exemptions under the Constitution and Laws of Alabama, or any other state.

Consumer agrees to pay any and all costs, including court costs and reasonable attorney's fees, incurred by Utility in connection with the collection of any monies due hereunder, including, but not limited to, security deposits, installation and connection fees, and monthly service fees.

The Consumer understands that the service is interruptible. The Consumer has and does give and grant to the Utility, its successors or assigns, a right of use and easement under, along and over the premises, and agrees that title to all property installed by the Utility shall remain in the Utility and maybe removed at any time. The Consumer further agrees to protect the property of the Utility, and not to commit or permit damage thereto. The Consumer further agrees to pay the minimum charges indicated hereon, even though larger than those in regularly published rates, in lieu of a cash contribution to excess costs, if any. The Consumer further gives the Utility the right to cut and keep clear all trees and other obstructions that may injure or endanger the services and facilities named herein.

The Consumer further agrees that the Utility shall have the right, but shall not be obligated, to inspect any installation before electric, gas, cable, water and/or sewer service is introduced, or at any later time, and reserves the right to reject any wiring, piping or appliances not in accordance with Utility standards, but such inspection or failure to inspect or reject shall not be regarded as insurance against defects in installation, wiring, piping or appliances and shall not render the Utility liable or responsible for any loss or damage, resulting from defects in the installation, wiring, piping or appliances, or from violation of any City Ordinance, Rule or Regulation, now in force or as may hereafter be adopted, or from accidents which may occur upon Consumer's premises.

Service established by the agreement will be for a minimum of 30 Days. The Utility shall not be held liable for damage resulting from Acts of God, or matters not reasonably within its control.

Before any services requested in this agreement are established the Utility will perform an inspection to determine the availability of said services. If additional construction is required to make said services available additional charges may be necessary.

This agreement consists of this page and the preceding __ pages.
